COMMUNITY COLLEGE INNOVATION CHALLENGE

2021 CCIC *Advancing Student Innovation & Impact*

STUDENT INNOVATION SHOWCASE
SCHEDULE OF EVENTS: 3:00–5:00 p.m. EDT

The Student Innovation Showcase provides an opportunity for a lively, supportive, and fun exchange with the CCIC finalist teams. Student teams will engage with visitors through display booths and presentation breakouts.

Team Display Booths: Each team will spend a portion of the Student Innovation Showcase assembled in a designated showcase booth where visitors can drop-in on demand for informal engagement through chat and video conferencing.

Presentation Breakouts: Each team will be assigned to a facilitated breakout session room for a 20-minute period to engage with visitors. During the team's scheduled breakout time, a session facilitator will introduce the team, show the team's video, and display the team's poster on the screen. Teams will spend a few minutes expanding upon their innovation before taking questions from the audience.
